

PRIN PROJECT PROGRESS MEETING

Workshop VAW 2024

*Violence Against Women:
misreported information and other
challenges in modelling social data*

13 September 2024 - h. 9.00

Sapienza University of Rome
Piazzale A. Moro, 5 - 00185 Rome
Department of Statistical Sciences
Building CU002 - Room 1 (ground floor)

The event aims at promoting the interdisciplinary exchange between researchers, actors and experts of the field for improving the understanding the violence against women (VAW) phenomenon and quantifying its real impact on society.

A special emphasis will be devoted to developing new statistical methodologies tackling with data quality issues, typical of VAW data analysis, and the uncertainty due to the combined used of different sources of information, such as survey, registry and social data.

THE FIRST WORKSHOP ORGANIZED WITHIN THE FRAMEWORK OF THE PRIN 2022 PROJECT:
Violence against women: modelling misreported information in social data
NextGenerationEU - M4.C2.1.1 - 2022Z85NCT (CUP B53D23019750006)
